Hamburg, 30.07.2025

Dear Sisters and Brothers,

on behalf of 190,000 workers represented by the Trade Union NGG – Gewerkschaft Nahrung-Genuss-Gaststätten, we are writing to express our solidarity with you and the workers you represent. Furthermore, we would like to express our deepest condolences to the families and friends of those who have already lost their lives in the wildfires.

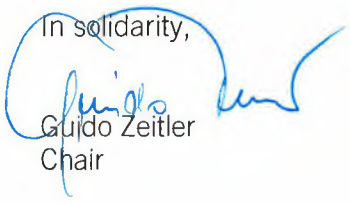

We stand in unwavering solidarity with you, our colleagues in Türkiye and Cyprus, and all forestry workers, who risk their own lives to safeguard communities and protect our shared natural resources.

Across Europe, austerity cuts, staff shortages, and a lack of resources and protection are making your vital work increasingly dangerous.

We join EFFATs call on public authorities to recognise forestry workers as essential and high-risk professionals and reiterate the need to invest in proper training, equipment, and protective measures.

We hope you stay safe and that you get through the upcoming weeks healthy and well.

In solidarity,

Guido Zeitler
Chair
